

## *Wilderness Engineer Society*

This is a group of interested adults who would be willing to utilize their skills and knowledge in various areas in order to help with the maintenance of the Dan Beard Council camps.

If you would decide to join this dedicated group of Scouters, you will receive rewards in relationship with the hours you work for the camps. This is not a high pressure program where you would be expected to spend all of your time at camp. The council conducts several organized workdays at each camp each year. We hope you will join us as *your* schedule permits.

Whatever time you may be able to give is greatly appreciated. Your time and efforts will benefit the preservation of the camps for future generations of youth to enjoy. If interested, complete the form below and send it to the Dan Beard Council, 2331 Victory Parkway, Cincinnati, OH 45206. Send to the attention of the Program Department.
